

REPAIR KITS

MARCH 2004

To order a repair kit, use the basic model number of the product followed by -RK. For example, a repair kit for a 3325-BDE is 3325-RK.

The Parts Discount applies to all repair kits. All repair kits are stock.

ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE. THIS LIST
SUPERCEDES ALL PREVIOUS ISSUES.

Repair Kits

Viton seals are recommended when the oil temperature is 150 degrees Fahrenheit or higher.

Repair kits include part numbers such as 1101-0001 and 1102-0005. Descriptions for these items are at the end of this document.

Standard seals are used wherever possible. That makes it easier to find replacement parts locally.

Repair Kits**SAND CAST ITEMS**
